

## **APPLICATION TO BECOME A RESIDENT AT THE GOSPEL TLC** **MALES ONLY**

### **NOTE TO THE APPLICANT:**

If you want to be in our program, you must get your own transportation here (The Gospel TLC, 3404 Cross Pointe Blvd., Weston, WI 54476, 715-393-8575). We will not pick you up, unless there has already been a pre-arranged transportation in place that's been approved by the Executive Director, Yauo Yang. Once you've arrived, there is not a guarantee that you will be admitted into the program. If someone is taking you here, they should stay until you've completed the entire intake process which will take about 2-3 hours, just in case you don't get into the program.

There is a one-time, non-refundable "Return Transportation Fee" (cash or money order only) per application once you are admitted into the program. This fee must be paid before you are allowed into the program. This fee is used to cover the amount of what it would cost for return transportation to where they came from (see info below). This fee is required of all residents, even if a person comes into the program with their own car. If this application fee is not received, the applicant will not be able to be admitted into our program. The Return Application Fee is determined based on where you are coming from:

-If you live around the Wausau metro area, the fee will be \$25.

-If you live outside of the Wausau metro area, but still within Marathon County the fee will be \$65.

-If you live outside of Marathon County, but still within Wisconsin the fee will be \$100.

-If you live outside of Wisconsin, the fee will be determined based on how far you live from The Gospel TLC. Please call our phone number so we can tell you what that dollar amount will be.

**BEFORE YOU PROCEED TO FILL OUT THIS APPLICATION, IT IS VERY IMPORTANT THAT READ YOU AND UNDERSTAND THE INFORMATION BELOW ABOUT OUR PROGRAM.**

**YOU MUST KNOW THAT THE GTLC IS:**

1. A Christ-centered program because we believe that Jesus is the only answer. Everything that we do is based upon the Christian faith. You don't have to be a Christian to be here, but you must be:
  - 1.) Respectful to our Christian faith
  - 2.) Receptive to the Christian faith.
 We will learn about God through the Bible, go to church, sing to God, pray to God, etc. Here at The Gospel TLC, we believe that there is only one way to TRANSFORMATION and that is through Jesus Christ! If you are totally against this, The Gospel TLC will not be a good fit for your TRANSFORMATIONAL process.
2. A positive, sober living environment. The only way to help an addict is for them to be in a sober and positive environment that is free from all negativity and temptations. For this reason, we will not allow drugs (including Methadone & Suboxone). Doctor prescribed meds are okay. Smoking and vaping will be allowed outside the building when first entering the program but a program goal is to be off nicotine or nicotine substitutes before graduation). There will be no alcohol (including mouthwash), weapons, pornography, gambling, fighting, disrespect, sexual activities, clothing that are not Christ-like to be in our program and/or other activities/things that we may deem to not be appropriate. Individuals that break these rules may be removed from the program. You will be given random UA's and searches.
3. We cannot and will not force you to stay in our program. You are free to leave at any time. Having said that, we will contact the right authorities if you leave (probation & parole, etc.) if you are court ordered to be here. If you decide that you want to come back after you leave, that will be at the discretion of the Executive Director. You will have to go through a re-entry process to come back into the program.
4. A program that requires everyone to TRANSFORM their own lives for the better. You must first be willing to help yourself! When you do that, we will be able to better help you. You are the only person that can change yourself. You have to want this for yourself! If you are looking for another program to "just go through" because you're not done yet with your old ways, please save yourself and our staff the time and resources by not filling out this application. We are only here to help those who truly want to help themselves. We are not a temporary homeless shelter.

5. You will not be able to use your cellphone when you are first initially here, but if you have to call out, we will have our program phones for that purpose (will be monitored). Access to cellphones and other devices will be permitted gradually over time.
6. A program where you need to abide by our rules and schedules. If you want to play by your own rules, we will not be the right program for you and you could possibly be removed. We have established our program rules because we feel this is what is best for the program. If you don't like the rules, you don't have to be here.
7. All residents must pass a 30-day probation period to show us that they are wanting to commit to TRANSFORMATION. If you don't pass the probation period, you will be asked to leave our program at the 30-day mark or sooner. Each resident must also show progress towards achieving their phase goals. These goals will be discussed with the resident.
8. When you get admitted into the program, you have the option to sign up for our "Short Term Program" (1-3 months) or our "Long Term Program" (12-18 months, most ideal).
9. The program fee is \$2,000 per resident, per month. There will be scholarship opportunities available for those that qualify. If you do receive a monthly income, we ask that you please contribute 33% of your income towards the program cost on a monthly basis. If someone (family, friends, church, etc.) that can help pay for your stay, we encourage them to help on a monthly basis. This can be discussed with the Executive Director.
10. You must not be in any type of courting relationship (seeing someone, dating someone, "talking with someone", etc.). If you are currently in a courting relationship, this program won't work for you. We want you to be completely focused on yourself TRANSFORMATION when you are staying at GTLC. The only exemption to this rule is if you are legally married and/or possibly engaged.

By signing below, I have read the above information, understand and agree to the program requirements.  
 Print Name: \_\_\_\_\_ Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**HONESTY IS THE BEST POLICY AS YOU FILL OUT THIS APPLICATION!** *We are not looking for you to fake or lie with your answers so we need you to please be truthful. The more honest you are in the application, the better it will be for you to be admitted into our program and for us to assist you. If we find out later that there is dishonesty in your application, you could be denied and also later that could be grounds for removal from the program. We will CCAP your name and do a background check. Please write legibly. If you need help filling out this form, please let us know so we can help you. Please complete the entire application before turning it in. We will need to see a government issued ID. This application will only remain with the staff of GTLC.*

The most important aspect of GTLC is that we believe in Jesus Christ as our Lord and Savior. Again, you don't have to be a Christian or a believer of Jesus to be a part of The Gospel TLC. That being said, a major part of our program centers around doing Christian activities such as: singing songs of praise and worship to God, going to church, reading the Bible, praying to God, etc. If you aren't a believer of the Christian faith, but still want to be in our program, we ask two things: 1.) Respect to the Christian faith 2.) Receptive (open to the idea) to Christianity. A resident could be denied/dismissed, if these two critical components are not met. Please print name and then sign below acknowledging that you understand and agree to being Respectful and Receptive while being here at GTLC. I will be 1.) Respectful and 2.) Receptive to this Christian program. YES \_\_\_\_\_ NO \_\_\_\_\_
